website

Association established (date)

Chairman's name :

Secretary's name :

We do add the necessary documents to prove that we are a registered and legal non-profit and non-governmental association whose main objective is the protection and promotion of industrial and technical heritage and/or the co-operation with (an) industrial museum(s) and/or (a) museum(s) of science and industry. Based on national legislations the pieces of evidence can consist in e.g. : copy of the registered statutes, annual report(s), declaration by a competent authority, etc.

We do add a short presentation of our association (max. 3000 characters) which will be added to the website of E-FAITH. We also have the right to add some photographs or drawings (max. 5) illustrating the activities of our association.

Our membership will be effective after confirmation by the board of EFAITH and after payment of the annual membership fee.

Place and Date

(signed by two representatives of the association)
